WORK EXPERIENCE

Graphic Designer | 2001-Present KSG Screen Printing Norco, California

- ▶ Conceptualized and designed logos, corporate identity, print advertisements, stickers, uniforms, car wraps and more within budget, color and time restrictions.
- ▶ Created advertising material aimed at reaching specific target markets to promote products.
- ▶ Ensured uniformity across multiple mediums including textile, embroidery, web-based and printed material.
- ▶ Managed multiple projects from concept to completion.
- ▶ Met with clients to determine project goals.
- ▶ Worked closely with printers to ensure product quality, as well as prepared files for output for third-party printers.
- ▶ Equipment: Adobe software, Apple hardware, laser printers, scanners and digital cameras.

Graphic Designer | 1999-2000 Kinko's Laser Type Long Beach, California

- ▶ Frequently completed unfinished projects of other team members in addition to working on individual assignments under strict deadlines.
- ▶ Layout design for business cards, brochures, invitations and other forms of paper-based design.
- ▶ Photo retouching and color correction.
- ▶ Prepared projects for offset printing.
- ▶ Typesetting and identifying fonts.

Graphic Designer | 1999-1999 Bomb Factory Long Beach, California

- ▶ Designed stickers of all shapes and sizes in addition to preparing the files for print.
- ▶ Designed packaging graphics for prepress and offset printing.

Graphic Designer | 1998-1999 Boca Magazine Los Angeles, California

- ▶ Designed layout, graphics, and advertisements as well as cover design.
- ▶ Prepared graphics, fonts and photography for the magazine.
